Fall

## Day 1

**Before checking in, be sure to ask about our new Concierge Services!**

AFTERNOON

Whether you'd like a **Graze by Erica** charcuterie spread delivered ahead of your arrival, freshly stocked firewood in the backyard, or a selection of wines from our local vineyards, we're here to ensure you have everything you need for your cozy fall retreat.

**As soon as you arrive, make yourself at home!**

**Enjoy dinner in the comfort of your home**

EVENING

Once you've settled into your home away from home, go ahead and order pizzas from **Villa Nova Pizzeria**, perfectly paired with a red blend from local **Dablon Vineyards**.

**Following dinner, grab some blankets and your s'mores essentials.**

It's time to break in your backyard firepit and admire the spectacular array of stars above.

## Day 2

**A stop at Black Currant Bakehouse is a must for your first morning here!**

MORNING

Time to stock up on all the pumpkin pastries and apple delights to savor throughout your stay.

**Your quintessential fall retreat is not complete without an orchard outing!**

AFTERNOON

**Williams Orchard** and **Twin Maple Orchard** are two of our absolute favorites for apple picking. There's also **Dinges Fall Harvest**, a farmstead that transforms into a fantastic fall-themed adventure for the whole family every September and October! Here you'll find pumpkins for picking, a corn maze for exploring, Halloween happenings and so much more.

EVENING

**Following such a fun-filled day, treat yourself to a delicious dinner at Casey's in New Buffalo.**

**Save room for dessert and head back to your Bluefish abode! Put the apples you picked today to use and bake yourself a delicious apple pie.**

Not to worry, your kitchen can be stocked with all the essentials you need! Delight in that "fresh from the oven" flavor and savor the sweet aroma throughout your home as you relax by the fire and enjoy a peaceful evening, together at last.

## Day 3

**Welcome the new day by embarking on a bike ride along Harbor Country's extensive biking trails.**

MORNING

Admire the world-famous foliage that's predicted to peak around the last two weeks of October this year. **Red Arrow Ride** is a great option for daily rentals, and we're happy to help make the arrangements!

**Now that you've worked up an appetite, brunch at Bentwood Tavern is calling your name.**

**Did you know about Harbor Country's spectacular art galleries?**

AFTERNOON

**Local Color Gallery, Arbor3 Arts and Judy Ferrara Gallery** are just a few of our current favorites. Spend your afternoon exploring them all and admire the unique works currently on display.

**After feasting your eyes with such beautiful art, it's time to take your tastebuds on a tour of their own!**

EVENING

**Harbor Country Adventures** offers customized brewery and distillery tours for larger groups looking for a one-of-a-kind experience. For smaller groups, our team can curate a tour of your very own with stops at **Round Barn Brewery, Greenbush Brewing Co.** and more!

**Spend the night in and allow Chef Narlo of Savors and Secrets to prepare a delicious meal of seasonal specialties for you in your home.**

As a beloved Bluefish guest, you'll receive an exclusive discount when booking Chef Narlo's services.

## Day 4

**Set your alarms to give yourself some extra time to savor your final morning here.**

MORNING

Curl up on your porch with your **Red Arrow Roasters** coffee in hand and breath in those last minutes of crisp autumn air before heading home.

**Take the scenic route out of town and admire Mother Nature's exceptional talents this time of year.**
