Day 1

AFTERNOON

Before checking in, be sure to ask about our new Concierge Services!

Whether you'd like groceries delivered ahead of your arrival, or special decorations strung to surprise a loved one as soon as they walk through the doors, we're here to make it happen!

As soon as you arrive, make yourself at home!

EVENING

Enjoy dinner at the Terrace Room

Once settled, it's time to hit the town! Head over to the New Buffalo Harbor and enjoy a waterfront dinner at the **Terrace Room**, complete with a very special sunset viewing of Lake Michigan.

Treat yourself to an after-dinner digestif at Hummingbird Lounge

We personally recommend the C'est La Vie and Castle T. Collins cocktails. Cheers!

Day 3

MORNING

Sleep in and relish in a peaceful morning lounging in your sunroom with a hot cup of coffee in hand.

For a crazy good cup of joe, be sure to try **Red Arrow Roasters**, **David's Delicatessen** or **Black Currant Bakehouse**.

Check the Harbor Country Chamber of Commerce Events Calendar to see what's happening today around town!

Between **Skip's European Farmers Market**, **Randolph Market**, **Music In The Park**, and so many others, there's always so much to explore no matter the dates of your stay!

AFTERNOON

Take a refreshment break and enjoy some late afternoon adult libations.

You're guaranteed a good time with a stop at **Welter's Folly Putting Green** at **Journeyman Distillery**.

EVENING

It's time to take to the lake! There's nothing more magical than a summer sunset cruise in Harbor Country.

Oselka Marina offers a variety of boat charters and private cruises so you can experience all that Lake Michigan has to offer. Pack a picnic to eat on board or enjoy a late dinner at a favorite local spot like **Bentwood Tavern**.

Day 2

MORNING

Rise and shine, it's breakfast time and Viola Cafe is calling your name.

You will be delighted with their expansive menu with an array of breakfast foods and sweet treats.

Looking to work up an appetite first? Red Arrow Ride has got you covered with bike rentals & more.

Allow our Concierge Service to set up the rental and have it delivered to your door so you're set to explore **Harbor Country's 26 parks**.

AFTERNOON

Make it a Harbor Country beach day!

Make a pitstop at **Whistle Stop Grocery** to stock up on snacks for the day, then it's time to sink your toes in the sand of Lake Michigan's shores. For those feeling extra adventurous, check out **Third Coast Surf Shop's** surfing lessons and day camps for kids!

Beat the summer heat with an ice cream treat from Beachside Scoops or Oink's Dutch Treat.

EVENING

Pick up your favorite local blends and brews (Sawyer Garden Center has a great selection!) and enjoy a backyard BBQ at your #BookedWithBluefish abode.

To kick back and really be pampered, book an evening with **Chef Narlo of Savors and Secrets** via our Concierge Service and delight in a delicious meal prepared by your own private chef at home.

Day 4

MORNING

Before packing up and hitting the road, make the most of your last moments here!

Nothing compliments an early summer morning like cinnamon buns and coffee from **Froehlich's Bakery**.

As you make your way out of town, take a little piece of Harbor Country with you and be sure to stop by one of the many U-Pick berry and flower farms nearby!

Some of our personal favorites are **Mike's Blueberry Farm**, **Stateline Blueberries**, **The Lavender Hill Farm** and **Field to Vase**.

AFTERNOON

After arriving home, reminisce on your weekend of Harbor Country fun by posting photos and videos of your favorite moments to social media!

Be sure to tag **@BluefishVacations** and use **#BookedWithBluefish** in your posts!
